

Firas Sadek

Front-End Web Developer | Fourth-Year Informatics Engineering Student

firassadek666@gmail.com • +963 99 411 0847 • Syria • [GitHub](#) • [LinkedIn](#) • [Portfolio](#)

PROFESSIONAL SUMMARY

Fourth-year Informatics Engineering student with a strong academic foundation in programming and algorithms, with hands-on front-end development experience in HTML5, CSS3, JavaScript, and TypeScript. Currently building practical skills in React through self-directed projects. Seeking an internship or junior front-end role to contribute to real projects and grow within a development team.

TECHNICAL SKILLS

- **Web Development:** HTML5, CSS3, JavaScript (ES6+), TypeScript
- **Libraries / Frameworks:** React (fundamentals, hands-on practice), Tailwind CSS, Bootstrap 5
- **Programming Languages:** C++ (good), Java (basics)
- **Programming Concepts:** OOP, Data Structures & Algorithms
- **Tools & Software:** Git & GitHub, Microsoft Office

PROJECTS

Tashkela — Sports Field Booking Web App — [View Project](#)

- Built a responsive landing page for booking sports fields, creating teams, and joining tournaments using HTML5, CSS3, JavaScript, and Bootstrap 5.
- Implemented an interactive testimonials carousel, a Bootstrap Accordion FAQ, and a contact form, with layouts adapted for desktop, tablet, and mobile via CSS media queries.
- Structured and documented the project on GitHub with a full README covering features, tech stack, and project structure.

Weather App — Real-Time Weather Lookup — [View Project](#)

- Developed a weather search app that fetches live temperature, humidity, wind speed, and condition data from the OpenWeatherMap API.
- Designed a glassmorphism-style interface with weather-condition icons, smooth transition animations, and a graceful "location not found" state for invalid searches.
- Built the layout to be fully responsive across screen sizes using vanilla HTML5, CSS3, and JavaScript.

EDUCATION

Bachelor's Degree in Informatics

Engineering Al-Jazeera Private University —

Fourth Year **PERSONAL SKILLS**

- Continuous self-learning
- Problem-solving and analytical thinking
- Time management and commitment to deadlines
- Teamwork and effective communication

LANGUAGES

- **Arabic:** Native
- **English:** Intermediate — able to read and follow programming references and documentation

AVAILABILITY

Available for internship and job opportunities in front-end web development.
